

Disabled People Friendly Municipality

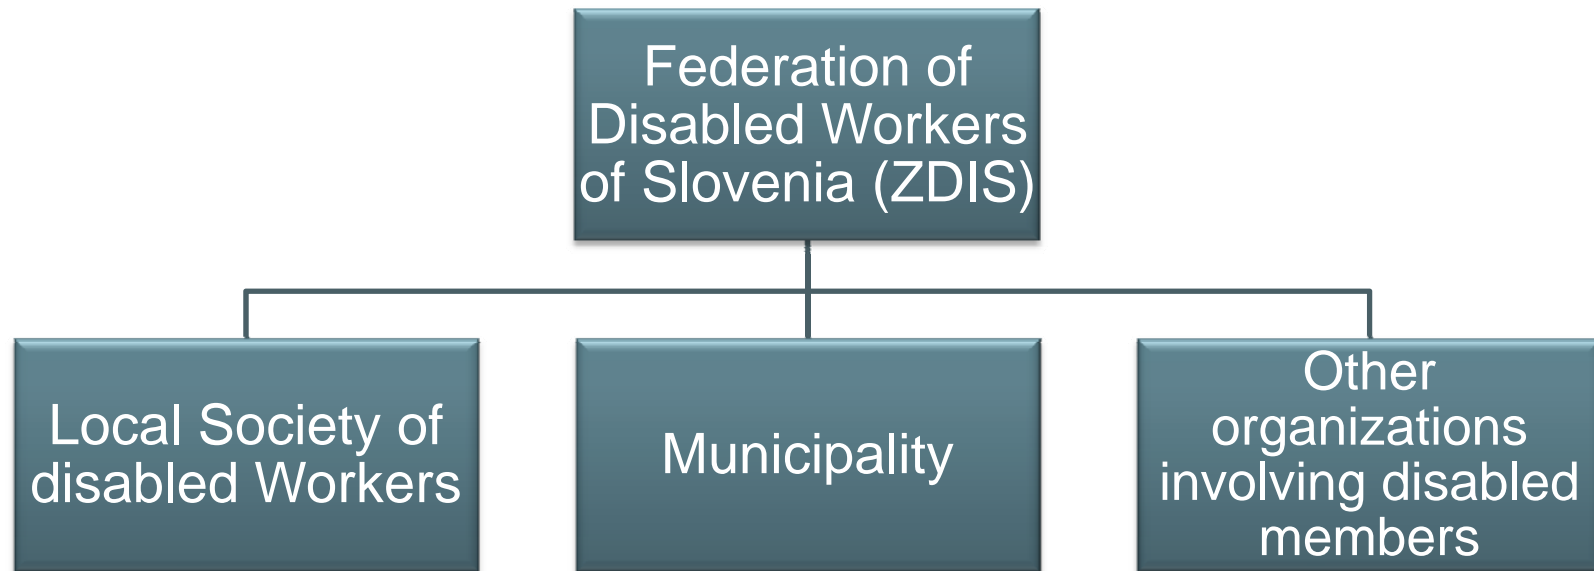

Andraž Mlaker, Municipality of Slovenske
Konjice

Project EZD

Slovenske Konjice, 13th September 2013

How to start

Step by step

Initiative of local society of disabled workers in 2009

Establishment of working group in 2010

Accessibility of local environment (functional barriers, inaccessibility etc.)

Action plan for improving standards for disabled people

Improving awareness about disability issue

Council for disabled people in 2011

Previous situation

Insufficient interconnection

Low awareness of disability

Inaccessible public services

Poor public toilet facilities

No common activities by disabled organizations

Poor healthcare infrastructure

Council's activities

Disabled people friendly municipality certificate

Organizing events for disabled people

Evolving traffic solutions

Eliminating functional barriers

Raising awareness in media

Improving collaboration of organizations working with disabled people

To provide better service in healthcare

Examples

Elimination of built environment barriers

Examples

Informing and raising awareness

Examples
